

The BOCES Regional Information Centers (RICs) in New York State have identified the following mission statement and shared goals. These goals will be collaboratively achieved by all RICs.

“We are a collaborative of BOCES Regional Information Centers providing leadership and efficient, effective technology solutions for the purpose of supporting management, learning and student achievement.”

2017-2018 Regional Information Centers’ Shared Goals and Action Items

State Technology Leadership

- Work in conjunction with members of the State Education Department in order to enhance state, regional and local technology plans and related processes.
- Provide assistance to the Smart Schools Review Board and New York State school districts, as the state implements the Smart Schools Bond Act.
 - Status updates are posted to the WNYRIC Smart Schools website, latest update 9/12/17
 - Continue to partner with NYSED in order to provide districts with support related to computer-based testing initiatives (DLM and Questar).
 - CBT listserv is notified with all updates as they become available from SED
 - CBT roadshow at WNYRIC on 9/29/17
- Provide data, as requested, to NYSED and other partners, in order to inform state and national broadband initiatives and programs.
- Explore new partnerships with NYSCATE, ISTE, CoSN and other technology leadership organizations.
- Continue to work collaboratively on bids, RFPs and contracts that address statewide needs and leverage economies of scale.

State Data Leadership

- Monitor, enhance and expand the RICs’ Common Data Views Initiative.
- Work in conjunction with Questar Assessment, Inc., NYSED and the large city school district scanning centers to make necessary modifications to existing NYS assessment

processes and support services (including, but not limited to, answer sheet development, data warehouse, scanning and scoring and instructional reports).

- Develop strategic plans to improve data analysis reports and dashboards.
 - RICs are investigating several data visualization tools including Cognos 11 for possible expanded services
- Develop strategic plans to increase the number of stakeholders with electronic access to RIC developed instructional reports.
 - Building level access to the data warehouse is now in place
- Work in conjunction with NYSED to provide educators with early access to 2017-2018 incoming student reports.
- Continue to assist NYSED in communicating important information related to NYS data, assessment, and accountability initiatives.
- Monitor, expand and refine the data integration, federation, and security initiatives.
- Work in conjunction with the NYS Chief Privacy Officer to provide leadership related to Education Law 2-D.
 - Chief Privacy Officer formed an Advisory Board, includes representation from the RICs. Meetings are underway.
